Product Description

Double boat&Jetski trailer

Designed for motorboat players, clubs, and water sports bases, With the golden size of 4800* 2550mm, it can meet the needs of towing two boats at the same time. It is compatible with mainstream 2-3 seat motorboats such as Bombardier and Yamaha. It can meet the requirements of compliance, safety protection and convenient operation. It is the preferred equipment for short-distance transportation and water travel. The width is 2550mm, which is the limit allowed by the

Our Product

regulations, and the length is 4800mm, which provides sufficient loading space. It is equipped with adjustable wooden boards or pulley tracks, suitable for different width motorboats, and avoids scratching the hull.
