#### Product Description

##### ATM3000KG small excavator trailer

ADR-Compliant Heavy-Duty Plant Trailer

Fully compliant with Australian Design Rules (ADR), our Plant Trailer is engineered to meet the high expectations of professionals in

construction, agriculture, and industrial sectors.

With a 3000KG ATM rating, four-wheel electric braking system, and reinforced loading structure, it's built to handle modern machinery such as

mini diggers, tractors, and chippers with ease.

Every detail—from the Dexter bearing system to the gas-assisted loading ramps—reflects our commitment to safety, durability, and professional

transport performance.
