Product Description

Fully Welded Mini Excavator Trailer - Silver Heavy Duty Plant Trailer ATM 3000KG

Professional-Grade Plant Transport Solution

Our ATM 3000KG small excavator trailer is engineered for professionals in construction, agriculture, and industrial sectors who demand reliable equipment transport.

Fully compliant with Australian Design Rules (ADR), this heavy-duty plant trailer features a 3000KG ATM rating, four-wheel electric braking system, and reinforced loading structure designed to safely transport modern machinery including mini diggers, tractors, and chippers.

Key Features

- ADR-compliant design meeting Australian safety standards
- 3000KG Aggregate Trailer Mass (ATM) rating
- Four-wheel electric braking system with 10-inch drum brakes
- Hot-dip galvanized surface treatment for maximum corrosion resistance
- Fully welded construction for superior strength and durability
- LED ADR lighting system for enhanced visibility and safety
