### Product Description

#### Excavator trailer

##### ADR-Compliant Heavy-Duty Plant Trailer

Fully compliant with Australian Design Rules (ADR), our Plant Trailer is engineered to meet the high expectations of professionals in construction, agriculture, and industrial sectors.

With a 3500KG ATM rating, four-wheel electric braking system, and reinforced loading structure, it's built to handle modern machinery such as mini diggers, tractors, and chippers with ease.

Every detail—from the Dexter bearing system to the gas-assisted loading ramps—reflects our commitment to safety, durability, and professional transport performance.
