Product Description

Low-Cost Mobile Food Trailer - Easy Setup & Towable Concession Stand for Snacks/Coffee

This orange mobile food trailer combines modern design and practicality for outdoor food service. Its vibrant orange, streamlined body stands out to attract customers. The unit features two foldable service windows that create a spacious workspace when open, and a single-axle, dual-wheel structure with a towing hitch and support wheel for easy mobility.

Product Features

- **Strong Mobility:** No external power needed. Can be towed to various locations for flexible operation.
- **Efficient Space Utilization:** Compact body integrates storage, operation, and sales functions. Foldable windows expand workspace to meet production needs for various snacks and drinks.
- **Durability:** Body uses anti-corrosion materials with reinforced frame to withstand outdoor complex road conditions.
- **Wide Application:** Easily switches between commercial streets, communities, parks, and other locations to reach different customer groups.

Usage Scenarios

- **Night Markets and Farmers Markets:** Sell snacks, drinks, coffee, and more with eye-catching appearance to attract customers.
- **Scenic Spots and Parks:** Provide cold and hot drinks, desserts, and other refreshments to meet tourist needs.
- **Events and Exhibitions:** Serve as temporary catering supply point for large events such as music festivals and exhibitions.
- **Community Mobile Service:** Serve multiple communities at fixed times and locations to establish stable customer base.
