Basic Information

Product Specification

- Trailer Dimensions: 4050×2080×2500mm(Trailer Ladder2000mm)
- Drawbar: 150*50 1550 Long
- Internal Dimensions: 2460*1530*210mm
- Surface Treatment: Hot-dip Galvanizing
- Fully Welded Body & Chassis: Yes
- Color: Silver
- Light: LED ADR Light
- ATM: 2000kg
- Rated Load Capacity: 1390kg
- Weight Of The Skin: 610kg
- Guide Wheel: 8 Inch
- Patterned Panel: 2.5Pattern
- Spring: 6 Pieces

Product Description

8*5 Double-axis Hot-Dip Galvanised Excavator Trailer 2000kg ATM

Product Overview

This heavy-duty 8x5 double-axle hot-dip galvanized excavator trailer features a 2000kg Aggregate Trailer Mass (ATM) capacity, specifically engineered for transporting small excavators, agricultural machinery, building materials, and various heavy equipment.

Key Features & Specifications

- **Hot-Dip Galvanized Construction:** Superior corrosion and rust resistance for durability in harsh environments including high humidity, salt spray, and muddy conditions
- **Double-Axle Design:** Enhanced driving stability for high-speed transport and heavy loads, with improved weight distribution to reduce stress on individual axles
- **2000kg ATM Capacity:** Robust load-bearing capability suitable for construction, farming, and industrial applications
- **Adjustable Coupling & Safety Chains:** Secure towing system for reliable transportation
- **Foldable Ramps:** Facilitates self-loading and unloading of equipment for improved operational efficiency
- **Non-Slip Pattern Deck:** Enhanced safety during loading and transport operations
- **Configurable Guardrails & Tie-Down Points:** Accommodates securement of various machinery sizes and types

Our Product Introduction

Industrial Applications

This versatile trailer is widely used across multiple industries including:

- Construction:** Transporting small excavators, skid steers, concrete blocks, steel, and timber between job sites
- Agriculture:** Hauling seeders, harvesters, tractors, and farming equipment across fields and properties
- Landscaping:** Moving trimmers, water trucks, mowers, and maintenance equipment
- Road Construction:** Shuttling rollers, pavers, and construction machinery to enhance site mobility
- General Logistics:** Short-distance transportation of heavy equipment and materials

Built for Performance: Engineered with structural integrity and longevity in mind, this galvanized excavator trailer delivers reliable performance in demanding industrial environments while maintaining operational efficiency and safety standards.
