Our Product Introduction

Product Description

Three-Axle ATM4500kg Container Home / Tiny House Trailer (Australian ADR Compliant)

Fully compliant with Australian road standards, ready for registration in all Australian states. Designed as a heavy-duty base frame for container homes, tiny houses and modular dwellings.

2. **ATM Rating: 4500kg** Rated ATM 4500kg, falls into Australian low-ATM trailer category, meets RVS & ADR requirements for towing and registration. Suitable for prefab container home builds.
3. **Triple axle & reliable electric brake system** Fitted with 3 axles, 12-inch electric drum brakes, electric brake shaft. Matches Australian braked towing regulations, stable braking for heavy loads on country roads and highways.
4. **Robust fully welded chassis structure** Full welded square tube frame, main beam 100**40**2.5mm, 9-leaf rocker roller leaf springs. Heavy-duty outrigger traction bar support, strong anti-twist performance.
5. **Overall dimension: 97002200800mm, internal size:84002200800mm** Optimized size for standard container / tiny house modules. Low deck height for easier construction and fitting-out.
6. **Lighting: ADR approved LED lights** ADR certified LED marker, tail & indicator lights, fully satisfies Australian lighting and visibility road rules.
7. **Tyre & wheel setup: 225/70R15LT** Heavy load LT tyres, reliable for long-distance towing on sealed and rough outback roads.

8. **4 adjustable stabiliser support legs** Four heavy-duty adjustable support legs. Keep the container home level during construction, parking and off-grid staying.
9. **Surface finish: Black spray molding coating** Durable black spray paint, anti-rust, anti-corrosion, good weather resistance to adapt to Australia's harsh outdoor climate.
10. **Complete certifications** ISO9001, TS16949, CE, ADR, DOT & CCC certification. Documentation available for Australian import & compliance check.
11. **Wide application** Ideal base frame for container homes, tiny houses, mobile cabins, site accommodation, portable granny flats.
